

ACTION LEARNING WORKSHOPS

Come learn what many successful Fortune 500 companies as well as non-profits do to untangle their tough business problems, while developing leaders. **Action Learning** is a way of seeing problems in a new light, an innovative way of breaking through those problems in real time. And, it simultaneously builds leaders, teams and organizations.

We've got a complicated problem at work, and we're stuck. What can I do?

Try Action Learning! It's a creative way to untangle tough business problems, and find breakthrough solutions. Fortune 500 companies use it – so do non-profits.

What's it all about?

Action Learning is a way of seeing problems in a new light. An innovative way of breaking through those problems, in real time.

Wait – so I actually get work done, and learn at the same time?

Exactly. You solve your problem, and improve your leadership skills at the same time. And develop the skill to do it again, any time! It works!

**I get it! Where
can I learn more?**

**See for yourself at one
of our workshops!**

The workshops all have International Coach Federation (ICF) Continuing Education Units (CEUs).
